

Do you have an organization, team, school group, youth group, club, or foundation that you want to raise money for?

Try Our Friend Raising Program!

It's Simple, efficient and a SUCCESS!

THE BASICS

- ❖ You will receive a flyer that we create to distribute to your friends, family, or entire email database.
- ❖ Each person brings the flyer in to the specified Hooters store on a specific date to eat. HOOTERS then will donate \$2 for every "body" that comes in with the flyer on the specific date.

HOW IT WORKS

- ❖ Your group chooses a Hooters location and a date. (Date is agreed upon by store management)
- ❖ We create a flyer that your group is responsible to hand out/email/facebook to friends, family, etc.
- ❖ On the day of the event, diners give the flyer to their Hooters Girl. (One flyer per person/body)
- ❖ A manager will visit the table of each person who brings the flyer in.
- ❖ **VOILA! A \$2 DONATION IS MADE FOR EACH FLYER TURNED IN!**
